**Our Sacramental Ministry in the Parish of Waldron:** As you will all know, in 2016 we lost to this life our Brothers in Christ, Fr Peter and Fr Paul. May God rest them. A parish with a non-stipendiary priest-in-charge depends more heavily than other parishes on its retired and occasional clergy to provide for sacramental worship, in particular the celebration of holy communion. We may therefore struggle this year to offer as many opportunities to make our communion as we have in the past. This calls us to examine all our vocations, particularly those of the laity in serving Christ in our community. We are examining our options and will keep you informed of the pattern of our services through our quarterly diary, weekly pew-sheets and our website. I thank you all for our partnership in the gospel. With blessings, George.

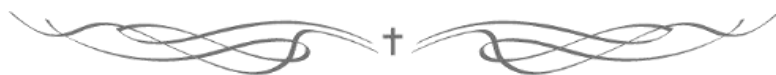

It's with great shock and sorrow that we learned that **Pam Angell** passed away last week after a short illness. We hold

her husband, Dick, Sam and Simon and their family in our hearts and prayers. The funeral will be held on Friday 9<sup>th</sup> March at 2.30pm at All Saints, Waldron.

We also have to announce with sadness the passing of **Gill Temple** at the Conquest Hospital. We also hold in our prayers her daughter Charlotte, who is unwell, and pray comfort for Gill's family. The funeral will be held on Saturday 3 March at 11.30am at All Saints, Waldron. Family Flowers only please.

We also note with sorrow the passing of **Mick Wren** earlier this month and hold Sue in our prayers.

### **Your organ needs you!**

We have been advised that significant renovation is required to the All Saints organ to overcome current problems and to preserve it for future generations. Please collect a leaflet when leaving the church as this describes the problems and lets you know how you can help.
